

Easy to Assemble

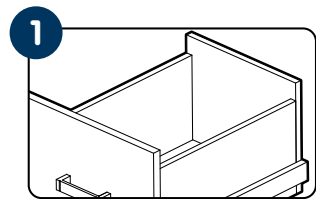

Strong, stylish, flexible storage for your home.

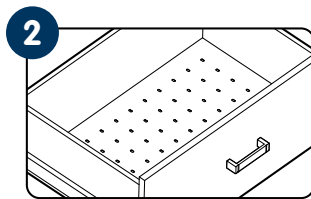

Whether you need to get your wardrobe sorted, give your bedroom (or your kid's room) a make-over, or provide a place for your flash new TV, GetSorted has the answer.

GetSorted storage looks great, with simple contemporary styling that doesn't cost the earth. Furniture and wardrobes can be configured to fit spaces of all shapes and sizes, and use eco-friendly timber panels to keep your home safe. Best of all GetSorted is super easy to put together – headache free.

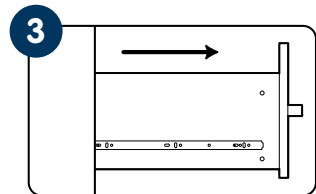

GetSorted is packed with great features:

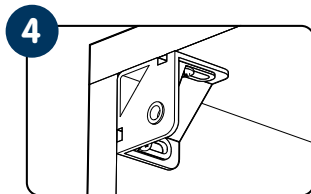

High back drawers stop contents escaping

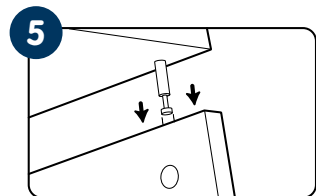

Vented & sturdy metal drawer base

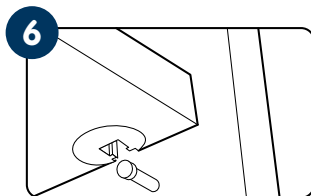

Full extension drawer runners for easy access

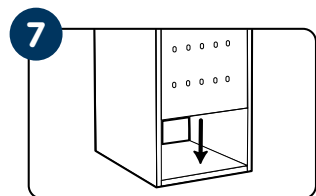

Corner bracing for strength & rigidity

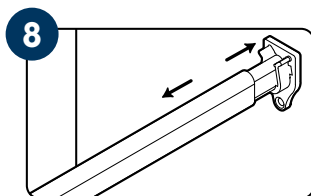

Secure top mount fixing

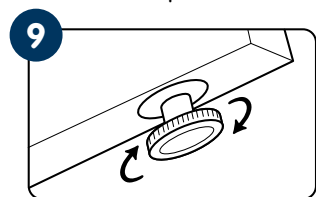

Friction lock shelves remain stable

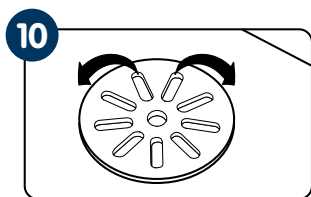

Vented stabilising rear panel

Expandable wardrobe rails

Adjustable feet keep things level

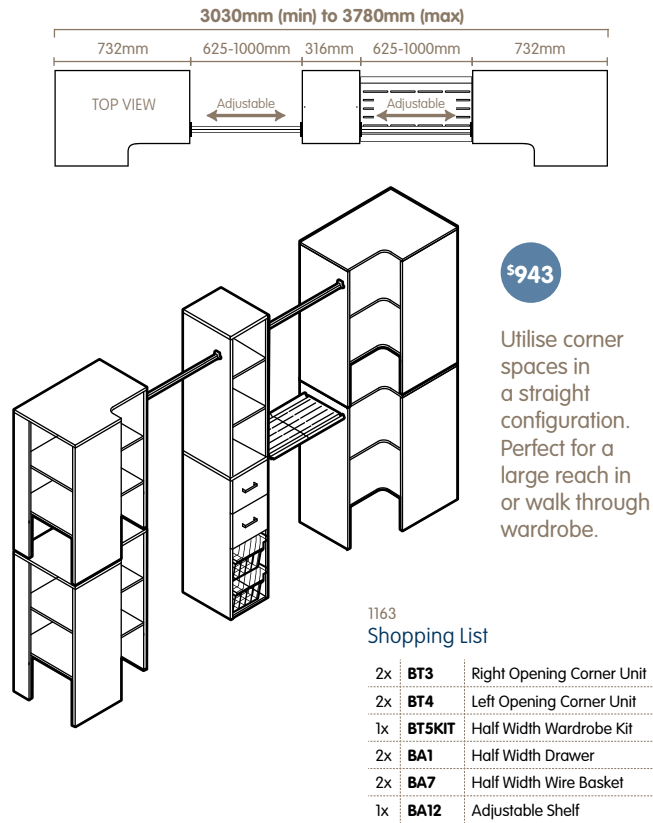

Totally vented system keeps contents fresh

Mix, match & stack storage to suit your needs.

GetSorted is a breeze to assemble and because it's modular, you can add to it or change it at any time.
